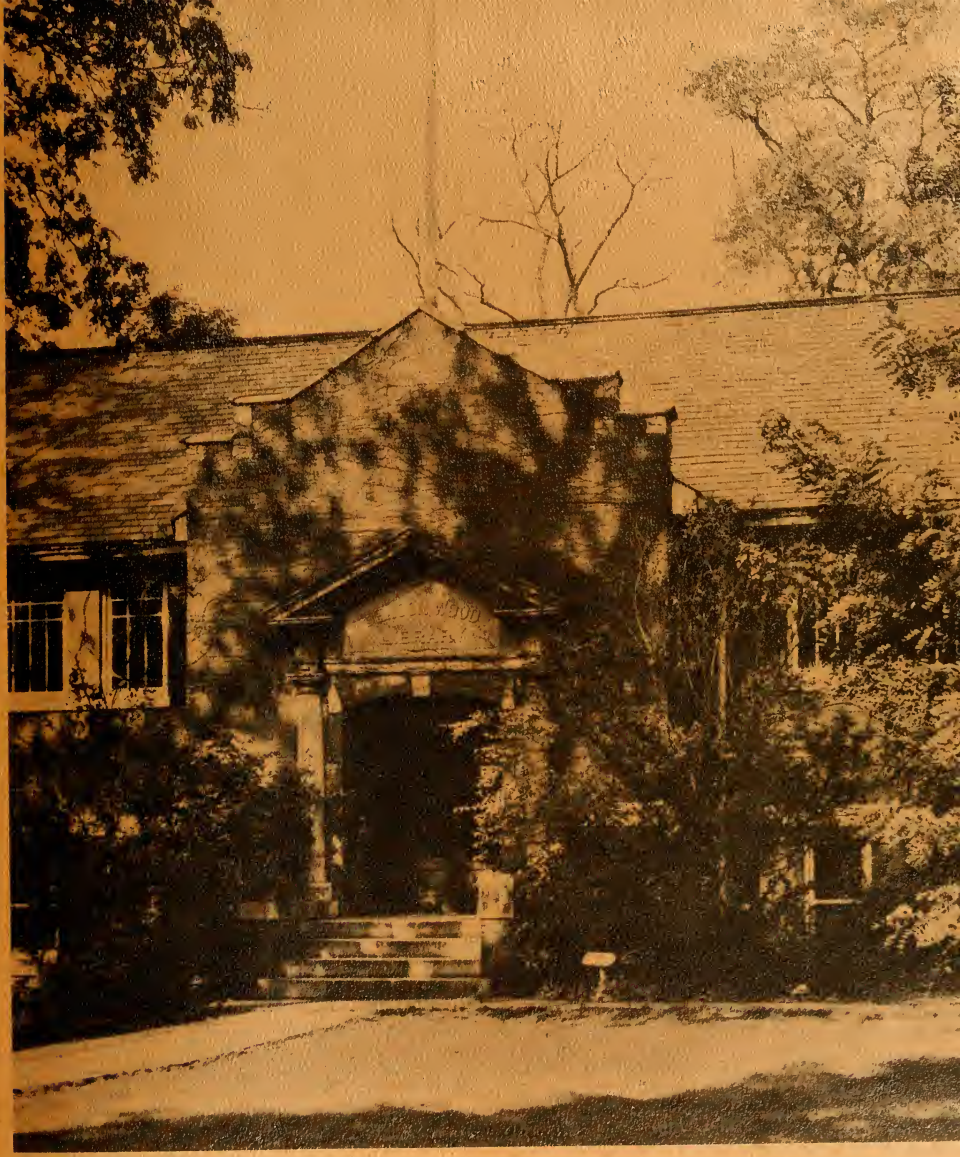
James Harold Burnett

- - - *in memory*

of a smiling person, a sportsman beyond reproach and a friend to all––

of a real guy whom we all loved and cherished as a friend and companion––

of James "Smiley" Burnett, the 1951 McKendrean staff humbly dedicates this book as a monument to his undying spirit which will remain always in the hearts of those who knew him.



—minds can build a
house of learning—

—century-old edifice
serves faithfully—

Faculty

our bell resting in the towering steeple of the college chapel, reaches out to touch the skies as man's heart rises to the throne of God.

RUSSELL GROW
A.B., A.M., Ph.D.
President

Dr. Russell Grow receives a gavel made from a century-old window sill of historic Old Main.

Our President

Dr. Grow assumed his duties as president of McKendree last January 1. Since then he has been actively representing the school at churches and meetings throughout Southern Illinois, building up financial and moral support for the college.

On April 20, 1950, Bishop J. Ralph Magee inaugurated Dr. Grow as the twenty-fourth president of the 123-year-old institution at an impressive service.

Students have sensed the spirit of accomplishment which surrounds the campus as an improvement program is carried out, but Dr. Grow hasn't finished yet. He has plans, and, judging from past experiences, he'll complete them.

The Dean

Dean VanWinkle has served the school as dean and registrar and also as an instructor. He has been an invaluable consultant as guidance director also. Yet, in each capacity he has proved an adept and understanding leader and adviser.

His is a full schedule, as any student may know after having to wait in line for a brief interview with the much-demanded dean.

Somehow, despite his many pressing duties, the dean can always produce a friendly smile and call a student by name. Most of the students feel that he is really their friend, and they are right.

Dean Lewis B. VanWinkle pauses at the entrance of Old Main.

Football Banquet

Honoring the members of the football team, McKendree college held its annual football banquet in Pearsons hall on November 21.

"No one ever wins a war; someone always loses. But in school athletics someone always wins regardless of the score," said Coach Byron Bozarth, athletic director at Granite City Community High, who was the guest speaker.

Evening School

The evening school of the college opened at the beginning of the second semester of 1949 and 1950. When the college expanded its courses to accommodate the personnel at Scott Air Force Base, it began a new era in adult education. Frequently others than the military men and women of the Base enroll.

One of the foremost promoters of these classes was Capt. John Rice, who is stationed at the Base. Through his efforts there has been a steady increase in the number of courses offered. He is oftentimes on the campus checking into the success of the work.

Right: Captain John Rice.

Activities

our bell remaining strong and sturdy through the tests of years and difficult treatment, stands as an inspiration for our nation to stand firm on the principles which will lend themselves to increased strength and endurance for our land.

Cheerleaders

Give credit where credit is due, and the five cheerleaders deserve quite a bit of it; they yelled, won, and lost with the Bearcats.

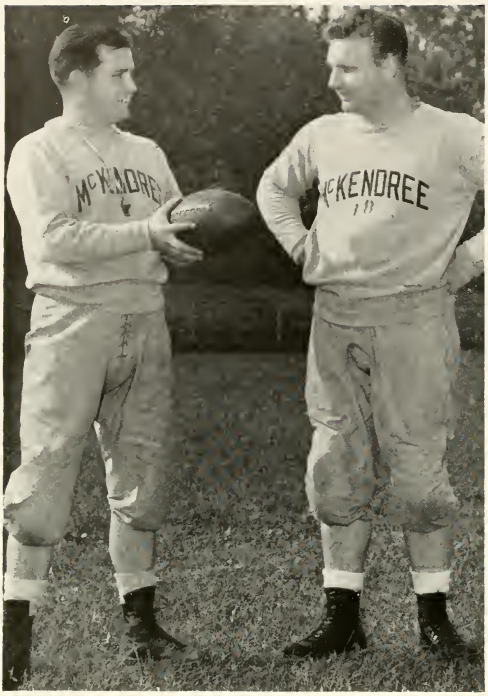
Kneeling: Joan Kleeman, Louis Eberhardt, JoAnn Stoddard.
Standing: June Render, Beatrice Brink.

Football



Coach Hugh F. Redden (left), Assistant Coach Edward Hoffman (right).

This was Coach Hugh F. Redden's first year as football coach on the hill, and taking into consideration all the injuries that his squad suffered, Redden's coaching did very well.

Playing as an outstanding lineman in his college days, Edward Hoffman injected some of his old fight into the Bearcat linemen. They clawed many a lineman of the opposition.

1950 Football Season

McKENDREE 24, ROSE POLY 14

McKendree's 1950 football team accomplished what to other Bearcat teams had seemed the impossible. They won an opener. Beating Rose Poly on the ground and in the air, the Bearcats showed a light, fast, and well-drilled eleven.

McKENDREE 0, LEWIS 20

It was the first meeting of the two schools and Lewis thought the Bearcats to be a breather. The Bearcats' line-play was superb for they were highly outweighed. The kicking of Bill Lambeth was outstanding.

McKENDREE 26, MISSOURI BAPTIST 12

Victory was sweet again at the hands of Missouri Baptist. Held to a halftime score of 14 to 6, the Bearcats were assured of a victory when Bob Ward ran 69 yards for a touchdown.

McKENDREE 12, ILLINOIS COLLEGE 18

Stopping a last minute threat, Illinois college defeated McKendree. Bob Ward scored both touchdowns on short plunges. The game ended on the I. C. four-yard line.

McKENDREE 14, CHILLICOTHE 12

The Bearcats traveled to Missouri for their third victory of the year. The game was won with less than two minutes to play on a pass from Charles Leckrone to Bob Ward.

McKENDREE 0, SHURTLEFF 12

Shurtleff college put the blues on McKendree's homecoming celebration by winning the football game. McKendree made 19 first downs to Shurtleff's six. Bob Ward carried the ball for 13 first downs.

McKENDREE 6, EUREKA 25

Charles Leckrone passed 25 yards to Bob Ward for the only Bearcat touchdown of the game. Fumbles and a muddy field hampered the Bearcat running attack.

McKENDREE 14, PRINCIPIA 39

Principia defeated the Bearcats to end an undefeated season. The highlight of the game was Bob Ward's 95-yard punt return. The second touchdown was from Charles Leckrone to Bob Ward on a pass play.

Coach Hugh F. Redden

McKendree college basketball teams of the future will find it tough sledding to improve the season's record which the Bearcats of 1950-51 posted this year. Basketball has been played here at McKendree for a long time and the best record of any previous season, according to our information, was back in 1919-20 when that Bearcat quintet won 15 and lost 5. That mark doesn't come close to the 23-5 record produced by this year's squad under the direction of Coach Hugh Redden.

Another improvement upon last year's record was that of being highly rated all season long in the N.A.I.B. statistics. Offensively, the Bearcats were ranked fourth in the nation with a 80.5 average.

The 1950-51 season was highlighted by the impressive home record of 13 wins on 15 starts and, better, still, by winning ten and losing three on the road. No apologies are needed, however, for losses to Illinois College, Shurtleff, and Rose Poly.

The Bearcats set a new scoring record of 2,235 points. Gene Hoyt was the team's leading scorer with 570 points.

The season opened at home with four impressive victories before dropping the first defeat to Oakland City. The initial four games might be regarded as

breathers, for in them was demonstrated the form that would later carry the basketeers through the most successful basketball year in the history of McKendree.

With a 4-1 record, the Bearcats played host to Greenville and had no trouble disposing of them by the score of 89 to 65. Hitting their stride again, the Bearcats trounced M and A University, 93 to 45. Traveling south to West Frankfort to inaugurate the new gymnasium, McKendree met Harris Teachers and found them no match to the tune of 75 to 52. Again McKendree refused to crack and took in victories over Stowe Teachers, Eureka, and Rose Poly. With six wins under their belts, the arrival of Illinois college was being prepared for. Twice previously, the Blue Boys had handed McKendree the short end of the score book. Illinois college, hitting over 60 per cent of their field goals, was too strong for the Bearcats. The score was 77 to 70. This was the second setback of the season.

Revenge was sweet when the Bearcats met Shurtleff college and by a margin of ten points bested the team that had defeated Bearcat cage squads consistently for the last few seasons. The score was 68 to 58. Refusing to crack to any opponent, the Bearcats rolled to six straight victories before dropping a hotly fought game to Shurtleff.

McKendree then traveled east and dropped Oakland City, who had dealt the bearcats their first defeat. On the same trip McKendree dropped a 69 to 55 encounter to Rose Poly, who had been defeated once before. Greenville played a very nice host to the Bearcats, as they were defeated, 94 to 74, which set up the stage for the Illinois college game.

The Bearcats dropped a heartbreaker to Illinois college, 62 to 60. Leading all through the game, the Bearcats looked as though they finally were going to defeat the Blue Boys, but a late rally dropped the Bearcats. Greenville college was defeated for the second time during the season by the howling Bearcats. In a slow home game Blackburn college was also defeated, 69 to 58. The Bearcats skimmed by Eureka by a close score of 72 to 70. On traveling to Principia the Bearcats closed their most successful season with a victory.

Track

The 1950 track team proved to be one of the outstanding cinder teams in McKendree's history. The track team entered five meets with schools in the area. Of the five, three were won; one was tied; and one was lost. The defeat was suffered at the hands of James Millikin university. Beside the regular meets, some of the members of the team competed in the Illinois Tech Relays and the Rose Poly Relays, Harris Relays, and the A.A.U. meet.

The outstanding member of the squad and the best low and high hurdler in Bearcat history was Edgar "Slick" Schafer, who turned in one sparkling performance after another. He set a new school record in both the low hurdles, 24., and the high hurdles, 14.9. He also ran fourth in the National A.A.U. tournament held in Baltimore, Md. He was high man in the point department with 107½.

Other consistent point winners were Elvis Rosenberger in the low and high hurdles, high jump, and broad jump; Cloyce Burns, shot and discus; Harold Sheets, pole vault; Carl Henn, 440; and Ron Herrin, dashes.

The President's Reception

Amid a colorful atmosphere of the Stevenson House, President and Mrs. Russell Grow held open house for all members of the faculty and the student body of McKendree college, Friday evening, September 15, 1950.

In the receiving line were Dr. and Mrs. Grow, Mr. and Mrs. Lewis Van Winkle, Rev. and Mrs. H. C. Brown, Mr. and Mrs. Arthur Knapp, and Mr. and Mrs. F. A. Behymer. Students participating in the musical program were Dorcas Callahan, George Brown, Betty Poole, Patricia Hazelwood, and Jenny Lynn Stein.

Inaugural Procession

An overflowing crowd was present in our college chapel on April 26, 1950, for the inauguration of McKendree's new president, Dr. Russell Grow. He succeeded Dr. Carl C. Bracy, who had held the position almost five years.

Representatives from 83 colleges and universities, along with our own college chorus and faculty marched in a colorful procession from the Stevenson House to the historic chapel.

Brief messages were given by H. G. Hurley, representing the Board of Trustees and Visitors; Robert C. Adair, representing the Alumni Association; Clyde S. Clark, representing the Southern Illinois Conference; and Myron F. Wicke, representing the General Board of Education of the Methodist Church. Follow-

Congratulations, Mr. President

ing those the McKendree Chorus presented special music. The address of the day was given by Bishop Charles C. Selecman of Dallas, Texas. Bishop J. Ralph Magee of Chicago challenged the new president as to the significance of his office and Dr. Hurley, chairman of the inauguration, officiated as Dr. Grow received as a symbol of his office a gavel carved from a wooden window sill of Old Main, the oldest building on the campus. Dr. Grow responded with a message which hinged upon the statement, "Our goal is the spiritual man." The benediction was given by the Rev. Earl C. Phillips, Superintendent of the Olney District. The Recessional concluded the service.

Following the ceremony everyone was invited to attend the reception for Dr. and Mrs. Grow in Pearsons Hall.

Mary Lou

For the second year in succession, the freshman class candidate was elected as McKendree's Homecoming Queen. She was Miss Mary Lou Hard of Metropolis, Illinois.

First row, left to right: June Render, junior class attendant; Martha Rieman, retiring queen; Joan Hall, sophomore class attendant; Ina Lee Mitchell, senior class attendant.
Second row: Dick Pierson, president of freshman class; Jim Marshall, president of Student Association; Art Hartman, president of "M" Club; Mary Lou Hard, queen; Charles Seng, captain of football team; Ronald Herrin, secretary and treasurer of "M" Club; Engel Grow, "M" Club representative.

Our Queen

Miss Hard reigned during the Freshman Formal Program and was honored in the Homecoming Parade which preceded the McKendree-Shurtleff football game on Saturday. She and attendants sat on a specially built platform and were introduced between halves of the game.

New Pages of History

OLD MAIN CENTENNIAL

The centennial anniversary of "Old Main," the oldest building on the campus, was celebrated May 23, 1950. Dr. Walton rededicated the cornerstone and Vernon L. Nickell, superintendent of public instruction in Illinois, delivered the address.

GROUND BREAKING—The breaking of ground ceremony for a new gymnasium-auditorium on McKendree's campus took place on May 23, 1950. However, during the summer complications arose, and the construction of the new building has been delayed indefinitely.

BEHIND THE SCENES

The glamour of huge industrial plants, intricate machinery, and mass production methods is the usual mental picture of American Industry. And a true picture of much manufacturing . . . but not so with photo engraving.

Machinery? Certainly! Precision equipment, but not mass production. Glamourous? Yes! Skilled hands and chemical processes and always intriguing.

Your year book is the result of many procedures . . photography, copy writing, art, engraving, printing and binding, plus salesmanship, accounting, etc.

The graphic arts industry has many branches and many opportunities. You might consider the possibilities of your future in this highly interesting business.
